Discover Clifton!

Located in Central Texas, a quick 30 minutes northwest of Waco, Clifton's authentic charm is hard to resist! As Clifton has been designated the Norwegian Capital of Texas, you can spend the day visiting our historical Norwegian churches or shop our unique downtown boutiques and antique stores to score a Norwegian memento.

Escaping the crowds for a sample of small-town life will prove very rewarding and totally rejuvenating; plan soon to enjoy fabulous food and drinks and stay a night or several at one of the quaint B&Bs located in or near downtown.

Art & Artists Abound

Public Art: As of one of the 43 Texas Cultural Districts, Clifton is home to the highly renowned Bosque Arts Center, where nationally known artists gather annually for a major show and sale. A walk down Art Alley downtown will amaze you with head-turning murals, and afford you the opportunity for an unlimited photo op. Cruising around you will realize there are many murals throughout this small town—be sure you find the giant flags and the western town backdrop!

One of a Kind Restaurants: Featuring more than 25 places to eat and grab coffee or relax with a cocktail, Clifton offers some of the tastiest cuisine in Central Texas. Some of our restaurants have been featured in Texas Highways, drawing people from across the state to sample the fare.

Locally Owned Shops: Enjoy easy access to an array of locally-owned shops in Clifton, where you will find one-of-a-kind jewelry pieces, quality clothing, home décor and also interact with the store owners. Perfect shopping opportunity for that special gift!

Historic Places: End of the day, catch a movie at the classic CLIFTEX Theatre that opened in 1916 and is a must see stop on Main Street. Market at the Mill is a heavily booked, unique historical event venue, which also houses fabulous clothing and home décor. The Bosque Museum is a surprising find for those who appreciate history and are curious about the Horn Shelter Man, along with many collections from a bygone era—plan on an hour or so to visit.

Prime Location: Downtown Clifton is located in the heart of Central Texas just a short drive from the big cities. It won't take long to get to Clifton, but once you are here, you'll quickly want to turn your day trip into a three-day weekend vacation—no visitor is ever ready to go home—we are just too friendly!

Eat • Shop • Stay

Eat • Shop • Stay

Why shop local? Studies have shown that when you buy from an independent, locally owned business, rather than nationally owned businesses, significantly more of your money is used to make purchases from other local businesses, service providers and farms. This continues to strengthen the economic base of the community.

Keeping our community unique, where we shop, where we eat and have fun, all of it makes our community home. Our one-of-a-kind businesses are a part of the character of Clifton. Our tourism business also benefits. When people go on vacation they generally seek out destinations that offer them the sense of being someplace, not just anyplace.

We are investing in Clifton. Local businesses are usually owned by people who live in the area, and are less likely to leave and take more time to invest in the community's future. So when it comes right down to it we should think local first—buy local when you can—

Shop Clifton.

Paws & Claws RESOURCE CENTER

Bosque County Spay Neuter was established in 2017 as a 501(c)3 non-profit organization tasked with identifying low-cost spay and neuter services for the pets of Bosque County residents and included those animals abandoned and roaming the streets of our communities. The goal was to eliminate unwanted litters of puppies and kittens by providing access to those types of surgeries.

In June, 2024, the organization redefined itself to include all rescue agencies in our county by assisting them with whatever services they need to ensure their goals were successfully met. We now partner with Bosque Animal Rescue Kennels (BARK), Care for Cats, and other animal organizations in Bosque County. We are all working toward the same goal by sharing our resources, and it is fulfilling to see our efforts rewarded.

Thank you for making Bosque County an even better place to live, for us and the animals for which we care!

Our new facility at 1803 W 5th Street in Clifton serves as a meeting place for our partners to discuss animal issues and to find solutions from a widely-experienced group of volunteers. We hope to offer the communities of Bosque County a variety of educational tools to benefit them as pet parents along with an operator for spay and neuter surgeries for stray animals. Included in the facility is a dog grooming unit and a staging area for the operator. Our 2023 TNMP grant funds have helped tremendously toward equipping the surgery room. With the help of a volunteer retired veterinarian, approximately 20 surgeries per month can be scheduled for stray cats and dogs.

Your investment through volunteering or providing monetary donations will go a long way toward realizing our goal. Donations may be directed to PO Box 225, Clifton, TX 76634-0225.

**Our phone number is 254-978-1779.
Your call will be returned within 48 hours.**
