Discover Clifton!

Located in Central Texas, a quick 30 minutes northwest of Waco, Clifton's authentic charm is hard to resist! As Clifton has been designated the Norwegian Capital of Texas, you can spend the day visiting our historical Norwegian churches or shop our unique downtown boutiques and antique stores to score a Norwegian memento.

Escaping the crowds for a sample of small-town life will prove very rewarding and totally rejuvenating; plan soon to enjoy fabulous food and drinks and stay a night or several at one of the quaint B&Bs located in or near downtown.

Art & Artists Abound

Public Art: As of one of the 43 Texas Cultural Districts, Clifton is home to the highly renowned Bosque Arts Center, where nationally known artists gather annually for a major show and sale. A walk down Art Alley downtown will amaze you with head-turning murals, and afford you the opportunity for an unlimited photo op. Cruising around you will realize there are many murals throughout this small town—be sure you find the giant flags and the western town backdrop!

One of a Kind Restaurants: Featuring more than 25 places to eat and grab coffee or relax with a cocktail, Clifton offers some of the tastiest cuisine in Central Texas. Some of our restaurants have been featured in Texas Highways, drawing people from across the state to sample the fare.

Locally Owned Shops: Enjoy easy access to an array of locally-owned shops in Clifton, where you will find one-of-a-kind jewelry pieces, quality clothing, home décor and also interact with the store owners. Perfect shopping opportunity for that special gift!

Historic Places: End of the day, catch a movie at the classic CLIFTEX Theatre that opened in 1916 and is a must see stop on Main Street. Market at the Mill is a heavily booked, unique historical event venue, which also houses fabulous clothing and home décor. The Bosque Museum is a surprising find for those who appreciate history and are curious about the Horn Shelter Man, along with many collections from a bygone era—plan on an hour or so to visit.

Prime Location: Downtown Clifton is located in the heart of Central Texas just a short drive from the big cities. It won't take long to get to Clifton, but once you are here, you'll quickly want to turn your day trip into a three-day weekend vacation—no visitor is ever ready to go home—we are just too friendly!

Keepin' It Sleeved

Scott Moore and Nena Rieser Moore had a simple idea pre COVID-19: to create a space where gamers, collectors, and storytellers could come together, feel welcome, and enjoy the games they love. Born from a passion for trading card games, tabletop adventures, and community connection, their dream was to build more than a store—they wanted to build a hub. But with the arrival of COVID-19, the ability to create those connections was suddenly taken away. Game nights stopped. Communities paused. And that gap—the loss of shared, in-person play—hit hard. It also made the mission clearer than ever.

Moving ahead a few years, now the dream is reality! Today, Keepin' It Sleeved is a place to bring the connection back – a place where people CAN trade, play, laugh, and belong again. Whether you're sleeving up your favorite deck, jumping into your next campaign, or just here to talk games, you're not just a customer—you're part of this special community. While Scott is more visible during business hours, Nena is often at Keepin' It Sleeved – a dream they enjoy sharing with Clifton. Welcome to Keepin' It Sleeved – Where you can Unplug & Play!

Celebrate 200 Years of Norwegian Heritage in Texas

On July 4, 1825, a small group of 52 Norwegians set sail on the ship *Restauration*, marking the beginning of organized migration from Norway to North America. Since then, approximately 900,000 Norwegians have made the voyage in search of new opportunities, with most settling into their new home and building vibrant communities. Today, nearly five million Americans claim Norwegian ancestry.

To honor this rich history, "Crossings 200" commemorates two centuries of Norwegian migration. This special year highlights the enduring bonds between Norway, the United States, and Canada, emphasizing the courage and sacrifices made by early settlers who traded their homeland for a new beginning, a story that continues worldwide.

Adding to the celebration, the charming Texas town of Clifton invites visitors to experience the Norwegian Country Christmas from **December 3 to 7, 2025**. This annual festival transforms Clifton into a winter wonderland, showcasing Norwegian traditions through festive decorations, local hospitality, and cultural activities.

The festivities kick off with a modern Norwegian Christmas dinner on December 3, followed by a Norwegian Progressive Dinner through historic downtown Clifton on December 4. The highlight comes on December 5 with a Lighted Christmas Parade featuring floats, carolers, and Santa Claus, culminating in a Candlelight Reception at the Bosque Museum.

On Saturday, explore Clifton's historic homes, shops, and galleries on a self-guided tour. A free tour guidebook is available at local businesses, pointing out must-see attractions. The day also features a Norwegian lunch at the Clifton Civic Center, expertly prepared by the Cranfills Gap Chamber of Commerce.

Visitors can immerse themselves in Norwegian culture by visiting decorated homes and churches, learning about early settlers' stories, and exploring the Bosque Arts Center's "Arts of Christmas Celebration." Unique handcrafted gifts await at Heritage Village, while the aroma of Norwegian treats fills the air. Don't miss historic landmarks like the Rock Church, Our Savior's Lutheran Church, and the Ringness House Museum.

To end the weekend, attend a church service at Our Saviors Lutheran Church, and join a ceremony at Cleng Peerson's grave site—honoring the founder of Norwegian immigration. Whether you're passionate about history, art, or festive holiday traditions, Clifton's Norwegian Country Christmas offers a memorable experience for all!

For more information, contact the Clifton Chamber of Commerce for tickets to these events. Come celebrate the enduring spirit of Norwegian heritage in this enchanting Texas town at 254-675-3720.

Eat • Shop • Stay

Eat • Shop • Stay

Why shop local? Studies have shown that when you buy from an independent, locally owned business, rather than nationally owned businesses, significantly more of your money is used to make purchases from other local businesses, service providers and farms. This continues to strengthen the economic base of the community.

Keeping our community unique, where we shop, where we eat and have fun, all of it makes our community home. Our one-of-a-kind businesses are a part of the character of Clifton. Our tourism business also benefits. When people go on vacation they generally seek out destinations that offer them the sense of being someplace, not just anyplace.

We are investing in Clifton. Local businesses are usually owned by people who live in the area, and are less likely to leave and take more time to invest in the community's future. So when it comes right down to it we should think local first—buy local when you can—

Shop Clifton.

PUBLIC FIGURE IN THE SPOTLIGHT

DAMARIS NEELLEY
CITY OF CLIFTON MAYOR

Damaris Neelley has many “firsts” in her list of accomplishments since moving to Clifton 35 years ago. The latest is being elected as Clifton’s first female mayor. After graduating from Baylor University and since the early 1990’s, Damaris began by leading Clifton Main Street and Development programs, working as an employee of the City. Volunteer leadership roles include serving on the

Clifton City Council for two years and the Clifton ISD Board of Education for 12 years, as well as the Clifton Economic Development Corporation for two terms. Regionally, she has chaired the Heart of Texas Economic Development Board and continues to serve as a Board member.

The heritage of Clifton has been another important interest, both the arts and Norwegian culture. Damaris was instrumental in the designation of Clifton as a Cultural District by the Texas Commission of the Arts in 2011. This distinction continues to benefit the community – now and in the future. As part of a select delegation invited to Norway in 2012, her work was key in creating the sister city relationship with Tysvar, an important cooperation that remains today.

Special recognition has been given to Damaris with the Texas Brazos Trail Leadership Award for contributions to the region. The Clifton Chamber of Commerce Lifetime Achievement Award was given to Damaris and husband David in 2023.

Having time with family is important to Damaris. She and David have three children and now three grandchildren, all living in Clifton or a comfortable drive away. Family, civic involvement, and dedication to community improvement are values that are most important to Damaris. This commitment leads to creating and continuing the thriving rural community that is Clifton.
